## SELECTMEN'S REPORT

---

To the Citizens and Taxpayers of Gilford :

We present the annual reports of the Selectmen and the Treasurer, the Town Clerk, Collector of Taxes, Trustees of Trust Funds, Trustees of the Public Library, also the reports of Town Officers and Committees, and the annual report of the School Board, for the fiscal year ending January 31, 1932.

During the year just closed, we feel that very satisfactory progress has been made in road construction and maintenance. Construction work on the Weirs Road under the Special Legislative Act has been completed as far as the Winnepesaukee Farm, and may easily be entirely built to the Laconia line during the coming year. When this road is completed, our roads bordering Lake Winnepesaukee will be in first class condition, and second to none in the entire Lake Region.

Our Town roads have shown steady improvement during the last three years; continuous use of gravel, prompt attention to rough and unsatisfactory conditions, replacing inadequate culverts and placing new culverts where needed, have resulted in placing our class 5 roads in excellent condition, and we believe fully proves the wisdom of the One Highway Agent System.

Finding that snow removal with the big machines, especially in small storms was very expensive, we purchased a blade snow plow for use on one of our smaller trucks, which is proving very satisfactory, and should reduce the cost of snow removal very materially.

In our budget no new construction is recommended, except the completion of the Weirs Road, which is neces-

sary in order that we may take advantage of the Special Legislative Act, no new equipment will be needed, and our recommendations include only the items that appear necessary, and for the welfare of the Town.

Our budget is as follows:

State Tax, Assessed	\$2,800.00
County Tax, Assessed Estimated	5,200.00
Current Maintenance Expenses	3,000.00
Old Home Day	100.00
Highways and Bridges	8,500.00
State Aid Construction, Legislative Special, not exceeding	3,585.00
Trunk Line Maintenance	3,000.00
State Aid Maintenance	1,000.00
Payment on Snow Removal Equipment	2,912.00
Aid to Town Poor	500.00

Respectfully submitted,

WILLIAM I. HARRIS,  
JOHN A. HAMMOND,  
CLARENCE V. HENDERSON,

Selectmen

CHARLES W. HUNT

REPORT OF GILFORD PUBLIC LIBRARY

---

To the Citizens of Gilford:

The undersigned, trustees of Gilford Public Library, respectfully submit this report together with the annual report of Frank R. Varney, Treasurer, showing the financial condition of the library for the fiscal year ending February 15, 1932, and the report of Mrs. Grace L. Weeks, Librarian.

The trustees organized the first of the year with Mrs. Helene E. Jackson, Secretary, and Frank R. Varney, Treasurer. Miss Eunice L. Hunt became chairman by reason of prior membership. Meetings have been held throughout the year to transact business and discuss the needs of the library.

Having to purchase new book plates some necessary changes were made in the rules for the conduct of the library and a large copy of the same was posted in each of the rooms. New books have been added including education, poetry, history, biography, and fiction, as well as two new magazines—"Time" and "The Readers' Digest." We are indebted to Mrs. Ellen Scadding for a box of books for children and adults; Ex-Governor John H. Bartlett for a volume of his poems; Mr. John H. Foster, Mrs. Minnie Lambert, Mrs. F. M. Thompson, Mrs. W. B. Marden, Mrs. Carrie H. Gill, and Mr. Nicholas Frost for books; Mr. Franklyn Potts for books and magazines; Mrs. Reuben Yeaton for magazines; and to Mrs. Helene E. Jackson for magazines and a Macy Cabinet Filing System. A copy of the Laconia High School Reading List has been secured for the librarian for the purpose of checking books already on the shelves. New books will be purchased from this list to meet the needs of our students.

Several minor repairs have been made. A cement walk has been constructed from the street to the building. This

makes a decided improvement, the former walk being inadequate and unsafe. The building, books, and equipment are insured for three year periods with the Grange Mutual Fire Insurance Company for \$4,400. The premium of \$95 came due this year and has been paid. Had there been no reserve from the former year this year's appropriation of \$150 would have been insufficient for our needs. Insurance \$95 and librarian's salary \$75.00 alone making a total of \$170. These two items exceeding the appropriation leaving no funds for books, magazines, janitor service, and many other necessities essential in the maintenance of a library.

The lawn needs new loam, reseeding, rolling, and grading to the new walk. Extra shelf room is also necessary for the accommodation of books in the stack room.

The following budget is submitted for the coming year:

Librarian's salary	\$75.00
Janitor	12.50
Wood for next year	18.00
Magazines	25.00
Books	44.50
Chemical toilet (equipment and installation)	100.00
Cement walk to roll way	35.00
Sign for building	15.00
Automatic Firemen	25.00
<hr/>	
Total	\$350.00

We wish to thank all who have contributed to the library in any way during the past year.

Respectfully submitted,

EUNICE L. HUNT,  
FRANK R. VARNEY,  
HELENE E. JACKSON,

Trustees Public Library

Gilford, N. H., February 11, 1932

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilford:

I herewith submit my annual report as superintendent of schools. This is the thirteenth such report which I have had the pleasure of submitting to you.

## Statistics:

	1929-30	1930-31
No. children between ages of 5 to 16	148	147
Total enrollment in local schools	70	69
Boys	39	38
Girls	31	31
Average membership	63	51
Per cent of attendance	94	95
Tardinesses	281	107
Visits by superintendent	88	95
Expenditures—all purposes	\$10,063.33	\$10,397.58
Teachers' salaries	3,450.00	3,281.91
Transportation	1,148.00	1,328.25
Elementary school tuition	2,114.50	2,408.00
High school tuition	1,610.00	2,006.00

The record shows better attendance than last year due to less number of colds and minor ailments. There were very few absences which seemed unnecessary. A marked improvement was made also in the matter of tardiness. This is as it should be.

Anita Aldrich and Arthur Weeks of No. Nine school, and Barbara Sanborn of Lily Pond School have the honor and satisfaction which goes with perfect attendance for the full year. It is significant that two of these children came from the same home.

## Graduation

An excellent program was presented by the children of the several schools for the closing exercises. The exercises were held on the evening of June 18. It seemed to me that the program was one of the best that the children have given. It showed careful preparation on the part of both teachers and children. Mary G. Levoy of the No. Nine school was the only eighth grade graduate. A certificate of graduation was presented to her by Mrs. Lizzie A. Sanborn, chairman of the school board.

## Teachers

We have the unusual record of no changes in our teaching force this year. I want to commend the teachers for the good spirit which they have manifested and testify to the good work which they are doing in the school room. The following table shows the teacher assignment and enrollment in the several schools at the present time:

School	Teacher	Salary	Enrollment
Village	Anna Furey	\$850	17
No. Nine	Teresa Corcoran	850	8
Intervale	Eunice L. Hunt	850	12
Lily Pond	Esma Ford	850	15

## Enrollment

Our total pupil enrollment at the present time is 52, practically the same as a year ago. In addition to the children enrolled in the local schools there are 55 Gilford children enrolled in the elementary grades at Laconia, 33 in grades one to six, and 22 in grades seven and eight.

Twenty-eight boys and girls from Gilford are attending the Laconia High School.

The per pupil tuition charge in Laconia is one dollar per week in grades one to six, one dollar and a half in grades seven and eight, and two dollars in the senior high school.

One of the advantages which the Gilford children in attendance in the Laconia schools have over the children in our local schools is the attention and help which they receive from the school nurse. This has been considerable in not a few instances. I have previously called attention to the valuable work which a nurse might do in our schools.

### Improvements

Three of our school buildings are now in very good condition. The freshly painted school rooms are much more attractive. The Village school room has been fitted with new window shades which are a joy to teacher and children. They are the very best type for school room use. They were much needed.

The No. Nine school building should have some attention if it is to be continued in use any considerable time.

The school board has disposed of the Liberty Hill school building for which they received \$125. The sale of this building would seem to establish permanently the policy of transporting the children in this community to the Laconia schools. This is the third building which has been sold in compliance with the vote of the school meeting.

### Finances:

Expenditures for school purposes like all other municipal expenditures are receiving careful scrutiny at this time.

The following table makes possible a comparison of the budget of this current fiscal year with that proposed for next year:

	1931-32	1932-33
Teachers	\$3,500.00	\$3,400.00
Text-books and supplies	175.00	150.00
Flags	15.00	15.00
Other expenses of instruction	15.00	15.00
Janitors	72.00	72.00
Fuel	200.00	125.00

High school tuition	2,000.00	2,000.00
Officers	157.00	157.00
Superintendent's excess salary	230.00	230.00
Per capita tax	294.00	328.00
	<hr/>	<hr/>
Total	\$10,488.00	\$10,247.00
Deduct estimated income	808.60	783.60
	<hr/>	<hr/>
Appropriation recommended	\$9,679.40	\$9,463.40

The school board made a careful study of the budget but discovered no way of making any appreciable reduction that seemed to them wise. The four large items in the budget are teachers, transportation, elementary tuition and high school tuition. The salaries paid our teachers are small when we take into consideration their training and experience. The teachers are doing good work. I certainly should not recommend any decrease in salaries. I see no likelihood of there being any appreciable decrease in the cost of transportation. It would be possible, of course, to reopen the East Gilford school and in that way do away with the transportation in that community. The cost, however, of maintaining the school would be much more than the cost of the transportation. A reduction in the cost of tuition can come about only by a decrease in

the number of school children or by a change in policy on the part of the school district.

In conclusion I wish to express my appreciation of the co-operation of the school board and teachers.

Respectfully submitted,

CHANNING T. SANBORN,

Superintendent of Schools
